

**The Whittier Historical Society and
Museum presents**

Landscaping Your Home with Native Plants

**Speaker: April Garbat,
Landscape Designer**

Native plants are perfectly suited to the Mediterranean environment of Southern California. Find out how to select, plant and care for native plants. See a variety of live native plants from the Rancho Santa Ana Botanic Garden.

Sat. March 19

Doors open: 1 p.m.

Talk starts : 2 p.m.

Reservations are not
required.
